## Request for Service Discontinuance

Account # \_\_\_\_\_ Date of disconnection \_\_\_\_\_

I, \_\_\_\_\_, hereby request that my water meter located at \_\_\_\_\_ be disconnected from San Jacinto SUD service. I understand that if I should ever want my service reinstated, I may have to reapply for service and I may have to pay all cost as indicated in a then current copy of the District Policy. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and require capital improvements to deliver adequate service. I also understand that these improvements will be at my cost. I further represent to the District that my spouse joins me in this request and I am authorized to execute this Request for Service Discontinuance on behalf of my spouse.

Charges for service will terminate when this signed statement is received by the San Jacinto SUD office. Meter will be read for a **final billing** and **deducted from deposit**.
